His Life Hid in Your Heart

Week 19: Jesus as Priest
James Hayes

Three of the most significant roles in the Old Testament were that of prophet, priest, and king. These three stood on a separate level from the people of the nation, occupying a space between them and God to accomplish specific purposes. The King was supposed to be God's ruler, his wielder of the sword of justice. The Prophet was God's mouth, delivering wisdom and moral direction. The Priest was God's intercessor, helping maintain cleanliness and righteousness among a sinful people. Each of these on its own is a terrible burden to bear, to be responsible for so much among so many people!

The next few weeks will examine, from three different authors, the perspectives of

these callings in the life of Jesus. We've already read Cecil May's points on the role of a prophet in the life of Christ. This week we turn our attention to his actions as a priest, even though he was not of the Levitical lineage to serve as a priest over Israel under the Old Law. And finally we will see next week his function as king. Even though initially those may sound like amazing opportunities we might envy, in truth they combine into a position where only the Son of God would hope to succeed. Spend a few minutes each day with these great lessons, and be blessed. Do it every day, and you'll be changed forever!

With Love, Adam

"Many are the plans in a man's heart, but it is the Lord's purpose that prevails."
